**STATEMENT OF MONEY IN THE COUNTY TREASURY
AS OF APRIL 1, 2026, FOR THE QUARTER ENDED MARCH 31, 2026
(Fiscal Impact: None)**

The attached "Statement of Money in the County Treasury" is being submitted for your Board's information. Preparation of this statement includes specific audit procedures necessary to ensure that the Treasurer-Tax Collector complies with the applicable Government Codes §26920(a), §53600.5, and §26922 and its investment policy regarding the safety and liquidity of investments under its control.

We have completed compliance monitoring of the Treasurer's investment portfolio for the March 31, 2026, quarter. Our procedures included Excel-based data analytics to perform calculations and determine whether investment purchases complied with the Government Code, County Policy, and the Treasurer's Investment Policy Statement (IPS). Based on the procedures performed, no compliance exceptions were identified. The following lists the procedures performed, and the results achieved:

1. Authorized Investments and Rating (IPS pages #11, 12, and 13): We reviewed the investments purchased during the quarter. We confirmed that the investments met the investment requirements at the time of purchase and were purchased from issuers or brokers on the Treasurer's authorized lists, per the IPS and Government Code §53601.
2. Diversification and Issuer Concentration Limits (IPS, page #13, Note 1 following Schedule I): We confirmed that the investments did not exceed the diversification limits for investment types, per the IPS, which are 6% per issuer.
3. Weighted Average Maturity (WAM) Limits (IPS page #13): We confirmed that WAM did not exceed 2.5 years, per the IPS.

4. Maximum Maturity Limits (IPS page #13): We confirmed that the investments purchased did not exceed the maturity structure, per the IPS and Government Code §53601.
5. Maximum Callable Securities (IPS page #13): We confirmed that the callable securities purchased did not exceed 20%, per the IPS and Government Code §27133(b).
6. Maximum Step-up Notes (IPS page #13): We confirmed that the step-up notes purchased did not exceed 10%, per the IPS and Government Code §53601.

Therefore, IT IS RECOMMENDED that your Board receive and file this report.
